SIGULDA CITY SKI TRACK

SIGULDA CITY SKI TRACK

The City Track is located 52 kilometres from Riga, in Sigulda, in the valley of the river Gauja. You can enjoy physical activities or unforgettable scenic views here. The most physically challenging hill, the longest descent, the widest slope, modern equipment, a picturesque view—all of this characterizes the Sigulda City Track. Three illuminated tracks (350, 200 and 50 metres long) offer a wide array of winter activities to anyone who is ready to surrender to gravity in an athletic or a graceful manner. All major Baltic and Latvian competitions take place directly on this track. Latvian unofficial speed record for mountain skis were set on our ski track – 112 km/h. Track is modernly equipped and snow coverage is ensured by 6 snowguns and snow groomer.

Ski School (SkiFox) offers ski and snowboard lessons with certified instructors who have completed their first and second level of instructors and sports coaches education in Ski schools in Austria, Switzerland and Norway, as well as a lot of experience working in Latvia and abroad.

Other possibilities: cafe, WC, ski rental and equipment maintenance.

Location: Peldu iela 1, Sigulda
Phone: +371 25733008
www.siguldassports.lv
GPS: 57.159175, 24.838127

BOBSLEIGH AND LUGE TRACK "SIGULDA"

BOBSLEIGH AND LUGE TRACK "SIGULDA"

1420 meters, 16 curves and a 200 m long braking distance - these parameters of Sigulda bobsleigh and luge track can be experienced not only by professional athletes, but also by every visitor of Sigulda. This route is one of the few in the world, the survey of which is open to anyone interested. On the sixth floor level visitors have a platform for an excellent view of the entire track from start to finish, as well as the Gauja valley scenic landscape. Nowadays the track is equipped with modern starting platform allowing training of athletes. In summer of 2014 the track was equipped with modern sun protectors that ensure excellent ice quality. Since 2010 Sigulda may call itself an Olympic city. Many Olympic and World Cup winners come from Sigulda. Also World Cup competitions are regularly held here.

Vuchko and "Frog" rides are organized on weekends from 12pm to 5pm (if there is no competitions in bobsleigh track).
Contacts: info@bobtrase.lv, +371 29185351
 Bob rides must be arranged in advance by writing to karina@makars.lv or call: +371 29244948, FB: @taxibob333, www.taxibob.lv.

Vučko is for family rides. The "frog" is safe and open for young children. Bob rides are available from the age of 16. Not recommended for people with heart and back problems or pregnant women.

Location: Šveices iela 13, Sigulda, **GPS:** 57.1508, 24.8408

FISCHER CROSS-COUNTRY SKI CENTRE

FISCHER CROSS-COUNTRY SKI CENTRE

1.25 km long and illuminated cross-country ski track in Sigulda is the only of a kind ski track in Eastern Europe. In natural snow conditions there are several tracks of different lengths up to 9 km. Refrigerating system, which is built under the surface of the track, allows to maintain snow cover and keeps it non-stop working in changing weather conditions. Three cross-country ski tracks has received International Ski Federation (FIS) certificate, which allows to organize international cross-country skiing competitions. Its characteristic is natural relief with slope up to 18%, biggest vertical slope is 11 m. Fischer cross-country ski centre offers equipment rental, ski and instructor's services, equipment maintenance, tube sliding, laser biathlon and territory rental for various competitions and events throughout the year.

Other possibilities: locker rooms, showers, WC, sauna, coffee and sweet wending machine are available for skiers' convenience and comfort.

Location: Puķu iela 4, Sigulda
Phone: +371 29118847
www.siguldassports.lv
GPS: 57.140272, 24.816732

SKI AND BIATHLON CENTRE "CĒSIS"

The centre offers artificial and natural snow-covered trails both for skiing lovers of all ages and professional athletes. Tracks are located in a scenic coniferous forest on elevated terrain with scenic trails and natural landscapes. The trail network is expertly groomed for skate and classic skiing. There are 400m and 2500m long tracks with artificial snow and 3km long track covered with natural snow, also equipment rental and maintenance. Private lessons are available by appointment. The snow cannons and freezing system built under the track allows to keep a snow cover and extend the skiing even in rapidly changing weather. Tracks are illuminated.

Center is also a popular place for national and international skiing and biathlon competitions.

SKI CENTRE "REIŅA TRASE"

For more than 40 years Reiņa trase is known as mountain skiing track and active leisure centre. The main slope with steep beginning and changing relief will be interesting for more experienced skiers. Located on the other plane, wide 200m long beginners slope is suitable for those who still learns to ski or snowboard.

Reiņa trase pays extra attention to little ones. It has HERKULESS children's park with 2 SunKid conveyor belt ski lifts and fun park equipment as skiing carousel and animal figures that is suitable for safer and faster skiing skill acquisition. Track also operates as HERKULESS kids skiing school. Every weekend school is attended by kids up to age 7, where they learn how to ski in groups.

Other possibilities: Cross-country skiing track and equipment rent, guest house and bathhouse, 2 seminar halls and café.

Location: „Kalnzaki”, Krimulda parish, Krimulda county
Phone: +371 29272255
www.reinatrase.lv
GPS: 57.1333, 24.7861

WINTER RECREATION CENTRE "ŽAGARKALNS"

"Žagarkalns" is distinguished by its number of slopes and being the only resort in Latvia preserving the certain amount of snow through the summer to be able to start the new skiing season very early. "Žagarkalns" offers eight tracks of different difficulty connected to each other - you will find not only long and smooth slopes ideal for the beginners, but also dynamic tracks with steeper sections and sharp turns. For experienced enthusiasts there is a great snowboarding and freestyling park.

"Žagarkalns" operates the largest Latvian professional ski school, and the ski resort is ideally suitable for children, beginners and families. On the children's slope there is a 'magic carpet-style' ski lift - safe and comfortable for kids.

For children and non-skiers, a fun attraction of tubing is available. On the top of the hill there is cosy café with the panoramic view and good menu, as well as ski rental and inventory maintenance point.

Location: "Žagarkalns", Cēsis, Cēsu pilsēta, LV-4101
Phone: +371 26 266 266
www.zagarkalns.lv
GPS: 57.2981, 25.2228

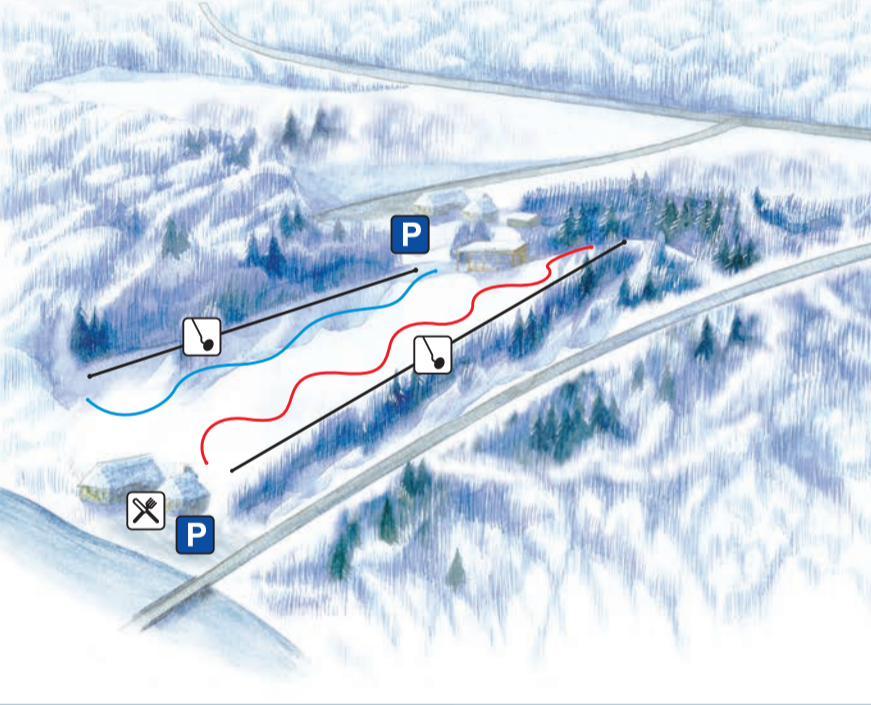

SKIING COMPLEX "OZOLKALNS"

A great place to enjoy the longest slopes in Latvia in a picturesque environment surrounded by primeval natural. While going up by the ski lift and then enjoying an exciting descent down a slope, you can view bushy trees flashing by, the snowy hill and landscapes that will make you get authentic natural feelings. In "Ozolkalns", you can enjoy the longest slopes in Latvia, which stretch for half a kilometre. The ski hill is visited both by professional skiers and snowboarders and by beginners and children, since the ski resort has five trails of different complexity. The relief of the trails tends to retain the natural terrain features so that visitors could fully capture all the gamut of feelings of adventure, which are inspired by snowy tracks and primeval nature on banks of river Gauja. After an exciting time spent in the winter air, you can settle in a cosy cafe to sip a warm drink and feast on delicious dishes.

Other possibilities: guest house, bathhouse (sauna), camping, children's playroom in the cafe.

Location: "Saulkrasti", Drabešu pagasts, Amatas novads, LV-4102

Livonian Order Sigulda Castle and Castle Quarter

It was built in 1207 as a castellum type fortress and later on rebuilt into a convent type building. Today it is possible to climb up the North Tower and the Main Gate Tower, walk on the castle walls and enjoy the medieval aura. The exterior of the New Castle of Sigulda built by Knjaz Kropotkin family in 1878 has retained its neo-Gothic style, meanwhile its interior became a pearl of national romanticism in 1937, when it hosted the Latvian Union of Writers and Journalists. Nowadays, the castle district buildings host workshops and salons of craftsmen and artists, where new skills can be learnt, and souvenirs can be purchased.
